Minor

Briefly describe the program proposal (new or change) and provide a justification:

This Minor was recently approved in April 2023.

1. There was an error in calculating the total units for this Minor. The total amount should be 15 units, not 18 units.
2. I also added one sentence in the Program Requirements section describing why taking two courses amounts to 3 units, not 6 units. Here's the sentence:

Professional Development in Education (Choose one 3-unit course or a course with Part A which is 2 units and Part B that is 1 unit for a total of 3 units):

3. We added a new course, EDUC 152 to the electives (awaiting final approval)
4. We are eliminating two courses, EDUC 172 and 173 as our newly developed course EDUC 152 will serve as a replacement once it is approved.
5. We added one Professional Development in Education course, EDUC 129

Catalog Description:**Units Required for Minor: 15**

The Minor in Social Justice in Education focuses on the theoretical, historical, and cultural constructs of power and oppression and the ways they intersect within education. The courses address current issues regarding race, ethnicity, culture, language, socio-economic status, abilities, and gender diversity. The minor underscores how education can be transformative and used as a tool to eradicate oppression and foster perspectives that promote social justice in education. The goal of the Minor is to empower students to teach or work towards building an antiracist, equitable, and inclusive place in education.

As defined by policy <http://www.csus.edu/umannual/acadaff/fsm00010.htm>, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the "Program Change Type" field above to ensure that "Substantive" is selected.
