Catalog Description:**Units required for Major: 45****Total units required for BA: 120****Program Description**

History, in the broad sense, is the study of all human experience. It examines the people, institutions, ideas, and events from the past to the present. The study of history contributes to cultural literacy and develops critical thinking and other useful skills while helping students understand the present and plan for the future. Historical study provides a solid, fundamental preparation for careers in business, industry, government, and education. It also serves as excellent preparation for law school, foreign service, international work, urban affairs, historical consulting, and library science.

History is an academic discipline offering both breadth and focus. At Sacramento State, the History major includes four lower division survey courses and three upper division seminars. In addition, students choose seven upper division electives from a wide variety available. The flexibility of the major allows students to focus on topical areas such as: women's history, the history of particular

geographic areas, cultural history, ethnic group history, economic history, military history, and history from the ancient world to that of the U.S. in the 20th Century. Teaching credential candidates should complete the History/Social Science Pre-credential Program.

- ¹ Course also satisfies General Education (GE)/Graduation Requirement.
- ² HIST 100, 100R, and 197 form a research and writing sequence in the major. History majors should take HIST 100 in the second semester of their sophomore year or the first semester of their junior year (or after completion of at least 9 units of the required lower division coursework for the major). Students should complete a WPJ portfolio in the same semester as they take HIST 100 and the following semester should take HIST 100R. HIST 100R is in turn a prerequisite for HIST 197, which should be typically completed in a student's final semester. Ideally, HIST 192 should be completed the semester before HIST 197.

Notes:

- Students should consult with a faculty advisor in their first semester at Sacramento State.
- Study of a foreign language is recommended.
- For substitutions in requirements, students should consult with a faculty advisor early in their program. Substitutions require the approval of the Department Chair.
