Spring 2025 (2025/2026 Catalog)

Subject Area: (prefix)

PUBH - Public Health

Catalog Number: (course number)

98

Course ID: (For administrative use only.)

200993

Units:

3

Is the only purpose of this change to update the term typically offered or the enforcement of existing requisites at registration?

No

In what term(s) will this course typically be offered?

Fall, Spring

Does this course require a room for its final exam?

Yes, final exam requires a room

This course complies with the credit hour policy:

Yes

Justification for course proposal:

The justification of this course proposal is to update and revise this course to keep up with the standards of the public health profession.

Course Description: (Not to exceed 90 words and language should conform to catalog copy.)

In this course, potential and beginning public health students become oriented to the public health major. They will acquire and develop the knowledge and understanding and sample skill base needed to fulfill the public health major learning outcomes. Students will develop their individual learning plans designed to provide a roadmap for timely completion of the public health major, General Education, and University graduation requirements.

Are one or more field trips required with this course?

No

Fee Course?

No

Is this course designated as Service Learning?

No
