Changes proposed by: Matthew Krauel (219183121)

Justification for this deactivation request

The Mathematics Masters Program is submitting a Form B to update its electives, among other language changes. Among these updates to the electives are: Deactivate STAT 115B and change the number of STAT 115A to be STAT 115. STAT 115 will also be given a new name and be updated. STAT 115B has not been ran for a very long time. Student who have catalog rights allowing for STAT 115A will be approved to take STAT 115 in its place.
