

SACRAMENTO STATE
Faculty Senate

Administrative Review Committee (ARC)

The committee's is responsible for implementing the Periodic Review of Administrative Performance Policy by following the established guidelines and procedures to prepare a schedule of reviews; secure review evaluations from all relevant constituencies; prepare reviews; prepare a summary report of the results of the review process; and recommend any changes to the review process to the appropriate administrator. The policy pertains to the review of Management Personnel Plan (MPP) employees at grade level III and IV.
