

Student Grievances Review Committee

The role of this Committee, within the Office of the Provost/Vice President for Academic Affairs, is to review the process used by the school or division when making a final decision about the grievance, and then determine whether or not there was procedural fairness or a violation that may have impacted the final decision. If there was not procedural fairness, the committee, the college, or the divisional committee will be instructed to conduct a new hearing or review.

Faculty Representatives

- Rachel Miller, Art (A&L) – Term: Fall 2024 – Spring 2026
- Elvia Ramirez, Ethnic Studies (SSIS) – Term: Fall 2025 – Spring 2027
