Redefine the Possible™

Why This Program Exists?

Protecting Youth in our Programs

- Ensure the safety of children participating in Sac State-sponsored events/programs
- Protect employees and the university

Claim Settlements

- Penn State: \$237mm
- Baylor: \$223mm
- UCLA: \$215mm
- USC: \$1bn

- * The average sexual molestation/abuse claim cost is now \$7mm
- * Reputational cost can be even more damaging.

Sexual Abuse Statistics:

1 in 10 public school children, accounting for 4.5 million students, have experienced sexual misconduct by an educator.

“Youth Program”?

- All events, operations, or activities, in-person or virtual, designed for participation by minors **organized by Sac State** in which youth program personnel are responsible for the care, custody, or control of minors; and
- All events, operations, or activities for participation by minors administered by an **auxiliary organization or other third-party organization** on or of Sac State property.

Youth Protection Program Requirements
