

9th Grade Foster Youth are invited to apply to First Star Sacramento State Academy!

The First Star Sacramento State Academy (FSSSA) partners with Sacramento County Department of Child, Family, and Adult Services (DCFAS) to offer a free 4-year college readiness program for students who are experiencing foster care. Selected scholars attend monthly Saturday Sessions year-round and receive academic support, life skills, homework assistance, college majors and career exploration, socio-emotional enrichment, and encouragement needed to assist them in graduating high school.

In June, scholars participate in our annual Summer Immersion Program (SIP) and reside on campus in a Residence Hall. Scholars meet peers and engage in a variety of fun and active academic learning opportunities along with social and cultural events, field trips, team-building exercises, guest speakers, service learning, recreational activities, and more!

FSSSA scholars also receive year-round individual support through mentorship, educational case management, advocacy, and tracking their necessary A-G requirements for college admittance from our Sacramento Valley College Corps Youth Mentors. Youth Mentors are current Sac State students from a variety of majors, backgrounds, and lived experiences.

Once a student applicant is selected, they are retained in our four-year program regardless of most placement or status changes. Through consistency, affirmation, and support, First Star Sacramento State Academy scholars will become competitive college applicants and successfully transition to higher education. Moreover, all FSSSA scholars who meet the minimum qualifications to attend a 4-year university will be guaranteed acceptance to California State University, Sacramento!
