

# Student Organizations & Leadership Data Report 2021-23

## Who We Are:

Student Organizations & Leadership (SO&L) advocates for students and contributes to learning, development, and retention by providing opportunities for involvement, leadership, and empowerment through a wide variety of organizations and programs. These experiences nurture campus pride and student success to advance an inclusive and equitable community. We know that not all learning on a university campus takes place in the classroom. SO&L Staff are committed to encouraging and helping students become involved in campus life through a variety of leadership programs and nearly 260 clubs and organizations.
